Insurance

The University Academy does not require insurance for student devices. However, if you want to purchase your own insurance to cover the cost of device damages you are welcome to do so, considering the following:

- You acknowledge that you are responsible for paying any damage fees directly to the University Academy and making an insurance claim with your insurance agency for a reimbursement.
- The University Academy will not receive payments from your insurance agency. All payments are billed to Skyward.

Billing

- Replacement chargers and devices that are issued will result in an immediate Skyward charge of the applicable fee.
- Students will not be permitted to take replacement devices home if there are any device-related unpaid fees. They will have to check-out and check back in their devices at the end of each school day until the fees are paid.
