5

Definition of “Sexual Harassment”

Conduct on the basis of sex that satisfies one or more of the following:

1. An **employee** of the institution conditioning the provision of an aid, benefit, or service of the institution on an individual’s participation in unwelcome sexual conduct (Quid Pro Quo);
2. Unwelcome conduct determined by a reasonable person to be **so severe, pervasive, and objectively offensive** that it effectively denies a person equal access to the institution’s education program or activity; or
3. **“Sexual assault,” “dating violence,” “domestic violence,” or “stalking”** as defined under Clery/VAWA.

6

Important Distinction for Sexual Harassment Cases

If the conduct alleged is “**sexual harassment**,” then the advisors will **ask questions** at the hearing.

7

What is not “Sexual Harassment” but may be an issue at a hearing?

Example: Other Inappropriate Sexual Conduct

8

Definition of “Other Inappropriate Sexual Conduct”

Conduct on the basis of sex that does not meet the definition of “sexual harassment” (under the Model Policy), but is

1. Verbal conduct (including through electronic means), unwanted statements of a sexual nature intentionally stated to a person or group of people, that are objectively offensive to a reasonable person and also so **severe or pervasive** that they created a Hostile Environment, as defined in the Model Policy.
2. Physical conduct.

Advisor Role at Hearing

“At the live hearing, the decision-maker(s) must permit each party’s advisor to **ask the other party and any witnesses all relevant questions** and follow-up questions, including those challenging credibility. Such cross-examination at the live hearing must be conducted **directly, orally, and in real time** by the party’s advisor of choice and never by a party personally.”

35

Advisor Role at Hearing

“If a party does not have an advisor present at the live hearing, the recipient must provide without fee or charge to that party, an advisor of the [institution’s] choice, who may be, but is not required to be, an attorney, to conduct cross-examination on behalf of that party.”

36

Questioning at the Hearing

The **hearing officer** may, at the hearing officer's discretion, ask questions during the hearing of any party or witness and may be the first person to ask questions of any party or witness.

Each party's advisor will have an opportunity to ask relevant questions and follow-up questions of the other party and of any witnesses that participate in the hearing, including questions that challenge credibility.

- **Each advisor** has the ability to ask questions directly, orally, and in real time at the hearing.
- The **parties** will **not** be permitted to personally ask questions of the other party or any witnesses that participate in the hearing.

37

37

Procedure for Asking Questions

The **advisors** may ask questions under the following procedure:

1. The **advisor** will ask a question of the applicable participant.
2. **Before** the participant answers a question, the **hearing officer** will rule as to whether the advisor's question is **relevant** to the alleged conduct charges.
 - If the hearing officer rules the advisor's question as not relevant, then the hearing officer must **explain any decision** to exclude a question as not relevant.
 - If the hearing officer allows the question as relevant, the **participant** will answer the question.

 - Attempt to clarify inconsistencies from all parties.
- **“What was your thought process...”**
 - **...During the experience?”**
 - **...Before the experience?”**
 - **...After the experience?”**
 - **“What happened next?”**

39

Tips for the Hearing Officer:

- **Respectful demeanor:**
 - Tone, Volume, Facial Expressions
- **Impartial:** Treat both parties equally
 - Ex: Give same time allotments for opening & closing statements.

Remember the goal:
Fairness and perception of fairness

40

Exclusion of Privileged Information unless Waived

No person will be required to disclose information protected under a legally recognized privilege. Relevance: Prior Sexual History

A Complainant's sexual predisposition or prior sexual behavior are not relevant **except** where questions and evidence about a Complainant's prior sexual behavior are offered to prove that **someone other than the Respondent committed the alleged conduct** charged by the Complainant **or** if the questions or evidence **concern specific incidents of the Complainant's prior sexual behavior with the Respondent and are offered to prove the Complainant's consent** of the alleged conduct.

Definition of “Sexual Harassment”

Conduct on the basis of sex that satisfies one or more of the following:

1. An **employee** of the institution conditioning the provision of an aid, benefit, or service of the institution on an individual’s participation in unwelcome sexual conduct (Quid Pro Quo);
2. Unwelcome conduct determined by a reasonable person to be **so severe, pervasive, and objectively offensive** that it effectively denies a person equal access to the institution’s education program or activity; or
3. **“Sexual assault,” “dating violence,” “domestic violence,” or “stalking”** as defined under Clery/VAWA.

47

“Education program or activity” under Title IX

Includes locations, events, or circumstances over which the institution exercises **substantial control** over both the respondent and the context in which the alleged sexual harassment occurs, and also includes any building owned or controlled by a student organization that is officially recognized by the institution.

- **Example** of a “building owned or controlled by a student organization”: **Fraternity or sorority house** that is occupied by students of the organization, and the student organization is a recognized organization with the institution.

48

Consent Definition

A **voluntary, mutually understandable agreement** that clearly indicates a willingness to engage in each instance of sexual activity. Consent to one act does not imply consent to another. Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another. Consent can be withdrawn at any time. Any expression of an unwillingness to engage in any instance of sexual activity establishes a presumptive lack of consent.

Consent is **not effective** if it results from: (a) the use of physical force, (b) a threat of physical force, (c) intimidation, (d) coercion, (e) incapacitation or (f) any other factor that would eliminate an individual's ability to exercise his or her own free will to choose whether or not to have sexual activity.

A current or previous dating or sexual relationship, by itself, is not sufficient to constitute consent. Even in the context of a relationship, there must be a voluntary, mutually understandable agreement that clearly indicates a willingness to engage in each instance of sexual activity.

49

49

Incapacitation Definition

Incapacitation is the **inability, temporarily or permanently, to give consent** because the individual is mentally and/or physically helpless, either voluntarily or involuntarily, or the individual is unconscious, asleep, or otherwise unaware that the sexual activity is occurring. An individual may be incapacitated if they are unaware at the time of the incident of where they are, how they got there, or why or how they became engaged in a sexual interaction.

When alcohol is involved, incapacitation is a state beyond drunkenness or intoxication. When drug use is involved, incapacitation is a state beyond being under the influence or impaired by use of the drug. Alcohol and other drugs impact each individual differently, and determining whether an individual is incapacitated requires an individualized determination.

50

50

Incapacitation Definition (Cont.)

After establishing that a person is in fact incapacitated, the University asks:

1. Did the person initiating sexual activity know that the other party was incapacitated? And if not...
2. Should a sober, reasonable person in the same situation have known that the other party was incapacitated?

*If the answer to either of these questions is “**YES**,” consent was absent and the conduct is likely a violation of this Policy.*

Note: A Respondent will be found to have violated policy only if the Respondent knew or should have known that the person was incapacitated.

51

51

Implicit Bias:

- Your **role** as a hearing officer is:
 - **Neutral, impartial, & fair**
- Fairness & the **appearance of fair.**

Goal: To **listen** to both parties equally and that they both leave **feeling heard** by the hearing officer.

THE UNIVERSITY of TEXAS SYSTEM
FOURTEEN INSTITUTIONS. UNLIMITED POSSIBILITIES.
WWW.UTSYSTEM.EDU

52

52

Implicit Bias (Cont.)

[T]he Department [of Education] ..cautions that a training approach that encourages Title IX personnel to “**believe**” one party or the other would fail to comply with the requirement that Title IX personnel be trained to serve impartially, and violate § 106.45(b)(1)(ii) precluding credibility determinations based on a party’s status as a complainant or respondent.

Implicit Bias (Cont.)

The Department takes no position on whether “start by believing” should be an approach adopted by non-Title IX personnel affiliated with a recipient, such as counselors who provide services to complainants or respondents. The Department wishes to emphasize that parties should be treated with equal dignity and respect by Title IX personnel, but doing so does not mean that either party is automatically “believed.” The credibility of any party, as well as ultimate conclusions about responsibility for sexual harassment, must not be prejudged and must be based on objective evaluation of the relevant evidence in a particular case; for this reason, the Department cautions against training materials that promote the application of “profiles” or “predictive behaviors” to particular cases. (*Title IX Preamble, p. 836*)

Tips to Avoid Bias

- Test to address any potential implicit bias.
 - What is the **essence** of potential policy violation?
 - Create **hypothetical** that includes those elements. Then flip or change the genders.
 - You must have **fair & consistent considerations**, regardless of gender.
- When making your decision: List out the evidence favorable to both sides to ensure **evidentiary support** (as opposed to bias).

55

55

Serving Impartially in Your Role

- Must avoid **prejudgment** of the facts at issue
- Must avoid **conflicts of interest**
- Must avoid **bias** for CP & RP

Nobody gets a “head start.”

56

Exclusion of Statements

Not submitting to cross-examination:

If a **party or witness** refuses to submit to any cross-examination questions during the hearing, the **hearing officer** will **not** rely on any statement of that party or witness, when reaching a responsibility determination.

Possible Exclusions:

- Statements against interest by RP
- Statements made by CP
- Statements made by nurse as author of SANE exam
- Statements made by any person who does not attend hearing
- Emails/Texts

Possible Exclusion (Example)

- W1: Hey, how was the party last night?
- RP: I got too drunk. LOL.
- W1: Did you see CP?
- RP: Yeah, but I did something stupid. I pinched CP's butt.

Possible Exclusion (Example)

- W1: Hey, how was the party last night?
- RP: ~~I got too drunk. LOL.~~
- W1: Did you see CP?
- RP: ~~Yeah, but I did something stupid. I pinched CP's butt.~~

But, An Exception on Exclusions...

“A respondent’s alleged verbal conduct that itself constitutes the sexual harassment at issue is not the respondent’s ‘statement’ as that word is used [in the regulations] because the verbal conduct does not constitute the making of a factual assertion to prove or disprove the allegations of sexual harassment; instead, the verbal conduct constitutes part or all of the underlying allegation of sexual harassment itself.”

- OCR Blog, May 22, 2020

61

Exclusion Exception (Example)

- RP: If you go out with me, I’ll give you an A in the course.

Because this is the underlying conduct and it is not a “factual assertion to prove or disprove the allegations,” this remark may be considered by the hearing officer even if the RP does not submit to cross examination.

62

No Inference Based on Absence or Refusal

“[T]he decision-maker(s) cannot draw an inference about the determination regarding responsibility based solely on a party’s or witness’s absence from the live hearing or refusal to answer cross-examination or other questions.”

63

(Probably) No Surprises

- Institutions may have rules for disclosure of exhibits.
- Parties will have access to all evidence related to the allegations.
- But there may be rebuttal evidence...

64

Rebuttal Evidence:

Evidence Presented at Hearing

During RP's witness testimony, witness A testifies: "I've never seen RP with an alcoholic beverage."

Rebuttal Evidence

Picture of witness A and RP each drinking a bottle of champagne at a party.

Controlling the Hearing

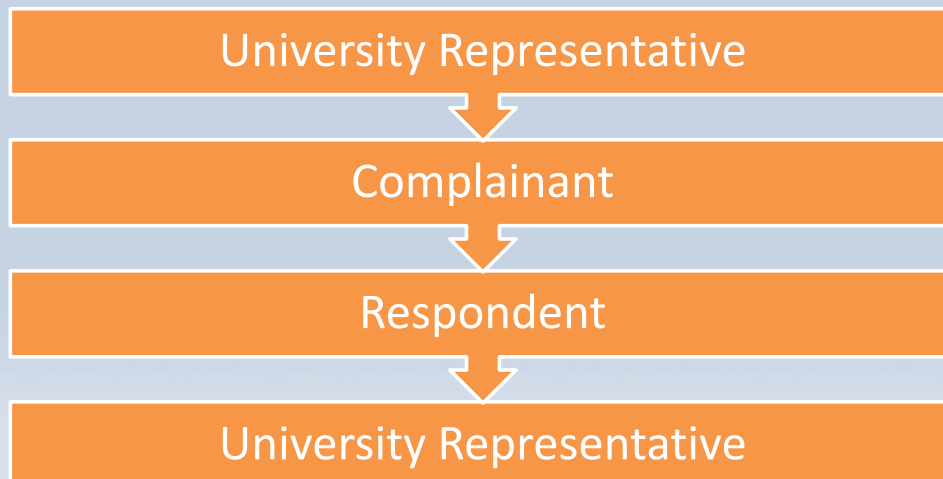

Controlling the Hearing

- Establish & exercise **authority** early & consistently.
- Be familiar with **policies** & the **allegations**.
- Describe **unacceptable** behavior and **warn** accordingly. Warnings usually correct inappropriate behavior.
- A note about **harassing** or **abusive** questions.
- Establish **time limits** for presenting case.
- **Take breaks**.
- **Stop** the hearing.

67

Closing the Hearing: Closing Statements

68

After the Hearing

69

Making A Decision...

- Based solely on the **hearing record**: No *ex parte* discussions or investigations.
- Determine whether a **policy violation** occurred:
Did the RP engage in conduct that violated university policy?

70

Burden of Proof on the Institution

Preponderance of the Evidence Standard:

Whether the greater weight of the credible evidence establishes that the Respondent engaged in the alleged policy violation.

Note: The Respondent is presumed **not responsible**.

71

71

In Making Your Decision:

- **You** are the decision maker.
- Review the hearing transcript.
- Review the institution's policy.
- Assess witness credibility:
 - Ex: Demeanor, personal knowledge, bias
- Strength of relevant evidence:
 - Credibility of the relevant evidence
 - Weight of each exhibit
 - Persuasiveness of the evidence

72

72

Tips for Evaluating Witnesses

Credibility:

- Are there inconsistencies? Is an explanation plausible?
- What did the witness do? What did they *not* do?
- Are there motives for the witness to be less than truthful?
- Are there motives for the witness to frame the event in a way more favorable to themselves? Are they lying to themselves?
- Is there an opportunity for a good faith mistake?

73

Potential Pitfalls

- You must let the **evidence** lead you to the **conclusion**, rather than making the evidence “fit” your pre-formed conclusion.
- Focus on the **relevant evidence**.
 - Hint: It's **not** all relevant.

74

The Decision Letter

The hearing officer issues a written determination.

75

Written Determination Required Components

- The **allegation(s)** that potentially constitutes prohibited conduct;
- A description of all of the **procedural steps** of the Grievance Process:
 - From receipt of a Formal Complaint to the determination regarding responsibility of the Respondent, including any notifications of the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held.
- The **findings of fact** supporting the hearing officer's determination;

76

Written Determination Required Components (Cont.)

- The **conclusion(s)** and a **rationale** as to whether the Respondent is responsible for each allegation;
- The disciplinary **sanctions**, if applicable;
- The **remedies**, if applicable, designed to restore the Complainant's access to the education program or activity; and
- The institution's procedures and permissible bases for the parties to **appeal**, if applicable.

A Good Decision Letter:

- Demonstrates the care and attention given to the **factual findings** and **weighing of the evidence**.
- Shows that the institution reached a **reasoned, good faith conclusion**.
 - It's not enough to reach a conclusion. You must be able to **"show your work."**
- Serves as a **framework** for all future proceedings.

78

78

Revision Stage: Focus on Clarity

- Focus on ***relevant facts*** in your factual findings. If it is part of the reasoning, say it. Don't omit it.
- Use headers.

Revision Stage: Focus on Clarity

Look at your draft with a **critical eye**. Pretend the person who will be most *unhappy* with your decision is in the room with you reading the draft with you. With each sentence or paragraph, consider:

“What would that person say?”

Then revise.

Revision Stage: Reminder

Deal with facts **contrary** to your decision:

- If you don't, it looks like you didn't consider or hear the argument, that you weren't paying attention, or that the process is unfair.

81

Breakdown of the Components

82

1. Allegation(s) & Applicable Policies & Procedures

- List the **allegation(s)** and the applicable policies & procedures. You can attach documents as exhibits.
- “A description of the **procedural steps** taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held” (Title IX Regulations, 2020)

2. Evidence Considered

- Remember the **seriousness** of these matters & the consequences that may come from them.
- You must be able to show that you were **fair, impartial, and thorough** in your examinations.
- Include a **summary** of what you heard, saw & reviewed.
- **Don't** fill the letter with irrelevant facts. But when in doubt, **include it.**

3. Evidentiary Standard

- **Preponderance Standard:**
Greater weight of the credible evidence:
 - “More likely than not”
 - 50% “plus a feather”
 - Think of the scales of justice: You need to get beyond the 50-yard-line
 - “Some evidence” doesn’t do it. One side of the scale needs to be heavier.
 - No head starts.

85

4. Undisputed Facts

- What material and relevant facts are **undisputed**?
 - **How** do we know these facts? Who told us? How were the facts gathered (texts, emails, social media, etc.)?
 - **Why** are we including these facts? What **point** (regarding the allegation(s)) do they help us **resolve**?
 - Are they really **UNDISPUTED**?

86

4. Undisputed Facts

- Use witness **quotes** as much as possible. Don't take statements out of the vernacular.
- Easiest way to make an undisputed fact disputed is to mischaracterize it by trying to summarize.

Examples:

- 👍 **Quote:** Witness 3 stated that the parties “were friends but had been casually hooking up for a few weeks.”
- 👎 **Summary:** The parties were previously in a complicated “friend” relationship.

5. Factual Findings: Resolution of Disputed Facts

- Go point by point on the disputed facts:
 - What do you think happened and why?
 - On what **evidence** do you base your conclusion?
