

Learn More About Your Child's School.

Visit TXschools.gov and discover how your child's school is preparing them for the next grade level and success after high school.

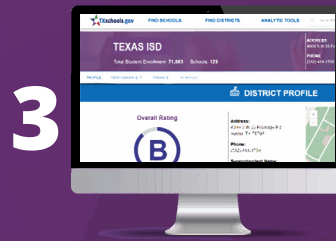

Here are 4 easy ways you can use TXschools.gov:

Visit TXschools.gov

Find your child's school by entering the school's name and your address.

View detailed school rating and profile information.

Dive deeper by using our compare tool, parent resources, and school finder.

Parents and families are critical to academic success.

School ratings are returning for the first time in two years. They are one of many ways to measure performance and to see how well your child's school is serving children. Schools use their ratings and data to improve the learning experience in the coming school year and beyond.
