

Sec. 1. PROCEDURES FOR SCHOOL VISITORS

Notices shall be posted at each UT Tyler University Academy campus requiring all visitors to first report to the campus administrative office. This policy shall apply to parents, board members, volunteers, social service workers, invited speakers, maintenance and repair persons not employed by UT Tyler University Academy, vendors, representatives of the news media, former students, and any other campus visitors.

A visit by visitors to individual classrooms during instructional time requires prior approval of both the campus Principal and teacher whose class is to be visited. Such visits may not be approved or may be terminated where their duration or frequency interferes with the delivery of instruction or in any other way disrupts the educational environment.

UT Tyler University Academy or the Principal may:

1. Require a person who enters property under UT Tyler University Academy's control to show a driver's license, another form of identification issued by a governmental entity displaying the visitor's photograph, or, if applicable, the person's employee or student identification card. The person must provide the identification on request.
2. Establish an electronic or paper database for storing campus visitor information. Information stored in the campus databases may be used only for purposes of UT Tyler University Academy security and may not be sold or otherwise disseminated to third parties.
3. Verify whether the visitor is a registered sex offender as identified in the computerized central database maintained by the Department of Public Safety, or in any other database accessible by UT Tyler University Academy.

UT Tyler University Academy or the Principal may eject a person from school property if:

1. The person refuses or fails to provide on request identification described above; and
2. It reasonably appears that the person has no legitimate reason to be on school property.

Education Code 38.022(a-1).

The Superintendent or designee, in conjunction with campus administrators, shall develop and implement procedures addressing campus visitors identified as registered sex offenders. These procedures shall include but are not limited to provisions dealing with:

1. Parental rights to visit;
2. Escorts by UT Tyler University Academy personnel;
3. Access to common areas of the campus;
4. Access to classrooms;
5. Drop off and release of students; and
6. Eligibility to serve as volunteers.

Sec. 2. NOTICE OF ENTRY BY REGISTERED SEX OFFENDERS

A registered sex offender who enters UT Tyler University Academy premises (meaning a building or portion of a building and the grounds on which the building is located, including any public or private driveway, street, sidewalk or walkway, parking lot, or parking garage on the grounds) during standard operating hours of the school shall immediately notify the administrative office of the school of the person's presence on the premises of the school and the person's registration status. The office may provide a chaperone to accompany the person while the person is on the premises of the school.

These requirements do not apply to:

1. A student enrolled in UT Tyler University Academy;
2. A student from another school participating in an event at UT Tyler University Academy;
or
3. A person who has entered into a written agreement with UT Tyler University Academy that exempts the person from these requirements.

UT Tyler University Academy is committed to treating parents and other community members with respect and expects the same in return. To that end, UT Tyler University Academy must keep schools and administrative offices free from disruptions and prevent unauthorized persons from entering the schools and school grounds.

Accordingly, the use of technology on UT Tyler University Academy property and at school-sponsored events shall be appropriate, not disruptive to the educational environment, and not detrimental to the safety of employees and students. It must also be in compliance with other applicable UT Tyler University Academy policies.

An individual engaging in disruptive behavior shall be required to leave UT Tyler University Academy property. Any individual who disrupts or threatens to disrupt school or office operations, threatens the health and safety of students or staff, willfully causes property damage, uses loud and/or offensive language that could provoke a violent reaction, or who has otherwise established a pattern of unauthorized entry on UT Tyler University Academy property shall be directed to

leave and potentially banned from UT Tyler University Academy property by the Principal or other administrator. In situations involving lesser infractions or where remediation is viable, a warning will be provided, either verbal or in writing, prior to the filing of trespass and issuance of a formal ban.

Should a parent/guardian or visitor fail to heed the direction issued in the warning, a ban or other restrictions designed to deter the conduct will follow. In certain circumstances, a criminal trespass warning may also be issued, or law enforcement contacted.
