

UA Bullying Student Survey

Bullying is defined as the repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. Bullying can be physical, verbal or psychological. It can happen face-to-face or online. Please think of the definition and respond to the following anonymous survey.

The purpose of this survey is to identify areas where bullying may be a problem and implement strategies and interventions to address it.

Remember that your responses are anonymous. However, if you have any questions or concerns, please talk with your teacher or campus director.
